

# CLEANER PORTAL

Gantry installation for cleaning sheet materials

## Specifications

Laser operating mode	, pulsed
Source power	1000; 1500; 2000
Cleaning type	Water
Laser service life, h	100000
Processing speed, cm <sup>2</sup> /s	30–150
Pulse repetition frequency, kHz	ending on the selected laser source, adjust in steps of 1 kHz
The highest speed of linear motion along the axis, m/min	60
Power supply, Hz	220_240_50
Radiation wavelength, μm	1064
