

CLEANER PROM

Industrial laser cleaning unit

Specifications

Laser operating mode	, pulsed
Source power	1000; 1500; 2000
Pulse repetition frequency, kHz	1-5
Processing field, mm	300x20
Beam speed, mm/s	up to 78000
Processing speed, cm ² /s	30-150
Cleaning type	Water
Laser service life, h	100000
Power supply, Hz	220_240_50
Weight, kg	230
Radiation wavelength, μm	1070
